Section I: Mental Ability Test

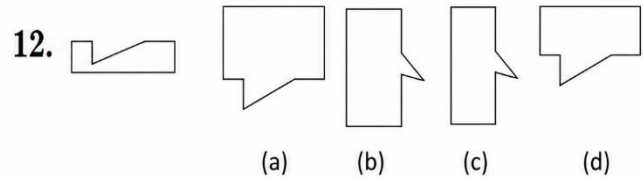

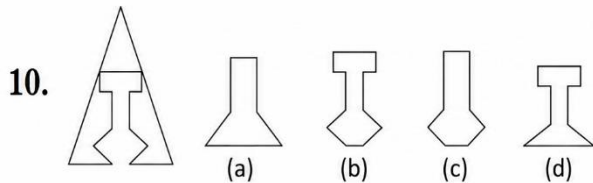

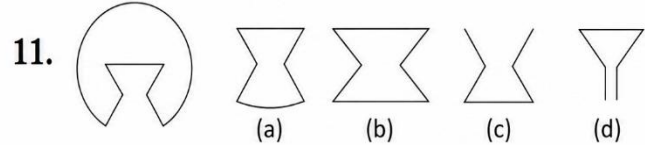

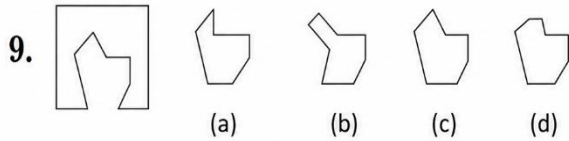

Part 1: Instructions: In Questions 1 to 4, a question figure is given on the left side, in which one part is missing. On the right side, answer figures are given as (a), (b), (c), and (d). Look at the answer figures and select the correct answer figure that completes the missing part of the question figure **without changing its direction**. To indicate your answer, darken the circle corresponding to the respective question number on the OMR Answer Sheet.

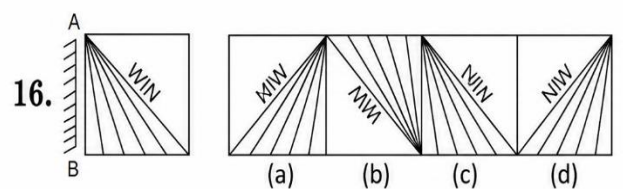

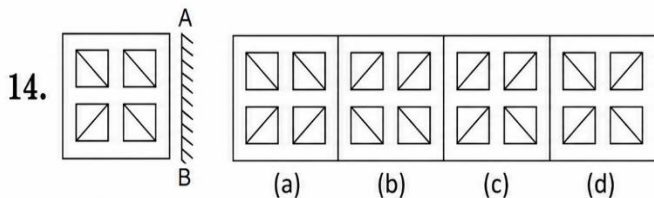

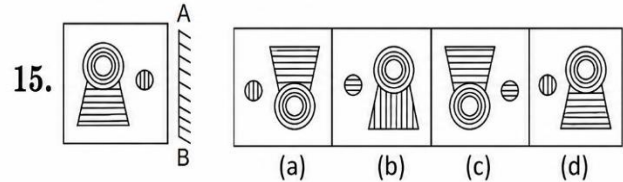

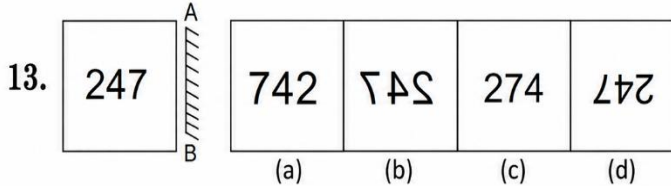

Part 2: Instructions: In Questions 5 to 8, three question figures are given on the left side, with a blank space in the fourth position. These figures follow a sequence. From the answer figures given on the right side, select the figure that completes the sequence and fits correctly in the blank space. To indicate your answer, darken the circle corresponding to the respective question number on the OMR Answer Sheet.

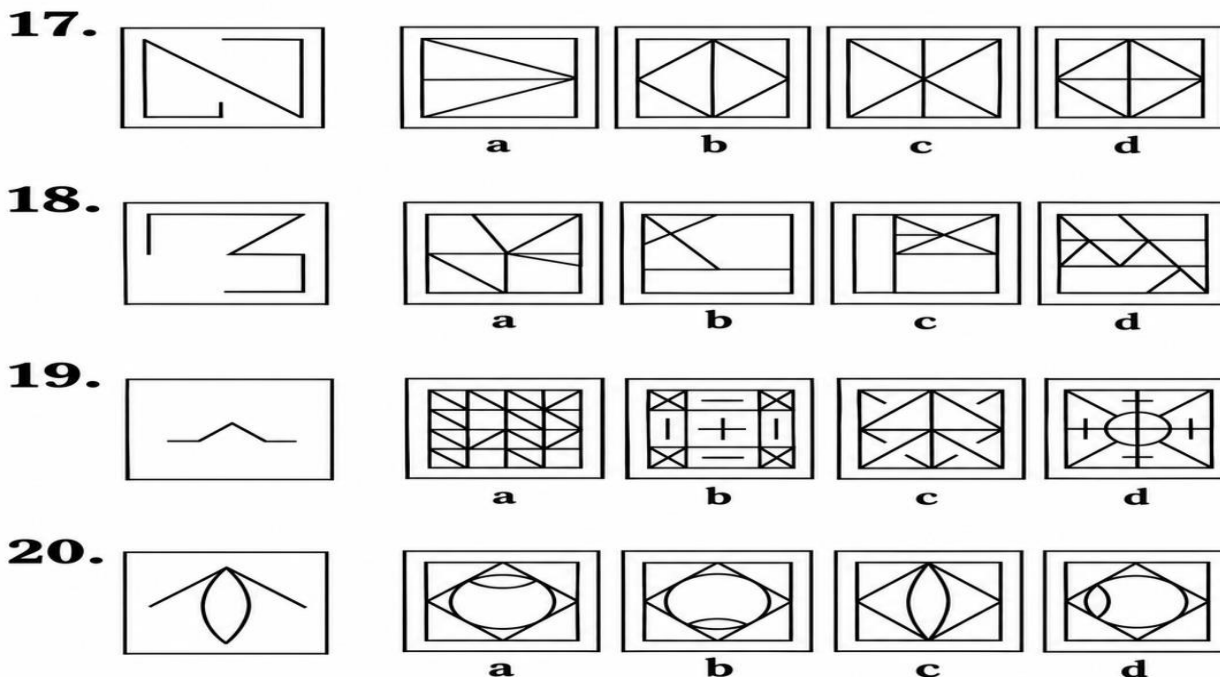

Part 3: Instructions: In Questions 9 to 12, a part of a geometric figure (such as a triangle, square, circle, etc.) is given on the left side, and four answer figures are given on the right side as (a), (b), (c), and (d). From the figures given on the right side, select the one that completes the figure given on the left side. To indicate your answer, darken the circle corresponding to the respective question number on the OMR Answer Sheet.

Part 4: Instructions: In Questions 13 to 16, a question figure is given on the left side, and four answer figures are given on the right side as (a), (b), (c), and (d). Select the figure that represents the mirror image of the question figure when a mirror is placed along XY. To indicate your answer, darken the circle corresponding to the respective question number on the OMR Answer Sheet.

Part 5: Instructions: In Questions 17 to 20, a question figure is given on the left side, and four answer figures are given on the right side as (a), (b), (c), and (d). Select the answer figure in which the question figure is hidden/embedded. To indicate your answer, darken the circle corresponding to the respective question number on the OMR Answer Sheet.

Section I: (B) Environment

Instruction: For Questions 21 to 35 given below, find the correct option from the alternatives provided and darken the corresponding option letter on the OMR Sheet.

Passage

Water is the most important resource of nature. Water is essential for the lives of humans, animals, birds, and plants. Due to the heat of the sun, water turns into vapor and rises, forms clouds, and returns to the Earth in the form of rain. This process is called the water cycle. Rainwater fills rivers, ponds, and underground water sources. Trees and plants hold the soil together and maintain environmental balance. Water pollution and cutting down trees can increase the water crisis. Therefore, we should conserve water. Harvest rainwater, do not leave taps open, and keep water sources clean. 'If there is water, there is a tomorrow.'

Four possible answers are given for each question as (A), (B), (C), and (D). Only one of the four answers is correct. Find the correct answer and darken the corresponding option letter in the appropriate place on the OMR Sheet.

Passage 1

I felt alone in a classroom full of boys and girls. The teacher came towards me with a smile. She gently placed her hand on my shoulder and asked— 'What is your name?' 'Abhayankar...'— I said softly. 'Speak up so I can hear you,' she said. I tried, but couldn't speak. My lips were dry, perhaps stuck together. I couldn't open my mouth. Then the teacher asked me to write my name on the blackboard. I went towards the blackboard, picked up the white chalk, but as soon as I was about to write, my mind went blank. I knew my name, I knew how to write it, but standing in front of so many boys, girls, and the teacher, I became nervous.

Q.61 Which of the following words does NOT describe the narrator?

- (A) Scared (B) Nervous (C) Confident (D) Timid

Q.62 What would be the most suitable title for this passage?

- (A) How to write one's name (B) First day in class (C) A strict teacher (D) A shy boy

- (A) Alone (B) Afraid (C) Sick (D) Panicked/Nervous

Q.65 How was the teacher towards the boy?

- (A) Sympathetic (B) Rude (C) Helpless (D) Indifferent

Passage 2

It was a cold and dark night. While passing along the road, I heard a woman's scream— 'Help! Help!' I stopped and looked around. Most of the houses had no light. Everyone seemed to be sleeping. 'Perhaps it was my imagination,' thinking this, I walked towards home. Suddenly the same voice was heard again— 'Please don't kill me! Take my money... take my jewelry, but leave me...!' So it was not imagination. A woman was in trouble. 'I must save her,' I thought. I ran to open the door of the house and pushed it with full force. The sound of crying was still coming from inside. I ran into the bedroom, searched, but found no woman. The radio was on. The host's voice was heard— 'You were just listening to a play named Stranger Murder. Now get ready for the upcoming news.'

Q.66 He felt that everyone was sleeping because—

- (A) The night was cold (B) No lights in houses (C) No response to scream (D) It was dark

- (A) To find a killer (B) To save the woman (C) To fight the killer (D) To listen to radio

Q.68 'You were just listening to a radio play...' Here 'you' means—

- (A) The narrator (B) The tall man (C) The woman (D) The listeners

Q.69 What inspired the narrator to enter the house?

- (A) Adventurous spirit (B) Sympathy (C) Desire to help (D) Curiosity

Q.70 Which is the most appropriate synonym for 'Trouble'?

- (A) Joy (B) Relief (C) Happiness (D) Distress

Passage 3

In India, it is very hot in summer. It is easy to grow cotton and silk here. Thin clothes can be made from cotton and silk. People living in hot regions often wear white clothes because white color does not absorb heat quickly. A saree is also comfortable to wear because it does not cling to the body. A person's job can often be identified by their clothes. Chefs usually wear a white apron so that if clothes get dirty, it can be seen. Police, firefighters, and soldiers have special uniforms. Students also wear uniforms for school identity.

Q.71 The opposite of 'hot' is 'cold'. What is the opposite word for 'summer'?

- (A) Monsoon (B) Spring (C) Winter (D) Snowfall

Q.72 Which of the following does NOT need to wear a uniform?

- (A) Made in one piece (B) Doesn't cling to body (C) Not expensive (D) Looks beautiful

Q.75 Why do Indians wear cotton clothes in summer?

- (A) Keeps body cool (B) Cheaper than silk (C) Easy to wash (D) Attractive colors

Passage 4

Boys and girls divided the work among themselves. Anil and Zeenat brought two large baskets from their homes. The children picked up pieces of paper, empty bottles, and plastic bags lying around. They put them into the baskets and emptied them into a nearby dustbin. They knew that a garbage truck comes every day to clean the waste. By morning, the garden looked very clean and organized. From that day, the children decided that the garden would always remain clean and garbage-free. Anil's father helped them make flowerbeds. The children took turns watering them. When the flowers bloomed, happiness spread throughout the entire neighborhood.

Q.76 What is the meaning of 'Picked up'?
